ABOUT THE COLLEGE

Hindusthan Institute of Technology is one of the leading Engineering Colleges imparting quality Technical Education to the aspirants from Tamilnadu and other neighboring states. It is run by Hindusthan Educational and Charitable Trust under the leadership of Sri.T.S.R.Khannaiyann and Smt. T.R.K Sarasuwathy Khannaiyann.

The Institution was established in the year 2007 and is affiliated to Anna University Chennai. The Institution is well known for its high educational standards with excellent infrastructures, spread over 200 acres and is located on the Coimbatore - Pollachi National Highway. The Institution currently offers 6 UG and 4 PG programs.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication Engineering was started in the year 2007 with vision to develop Centre of Excellence in the wide area of Electronics & Communication Engineering Field and to promote innovative research and development

The department has well equipped laboratories with latest simulation Software and eminent faculty member with good academic records. Our Department got **Research Centre** Recognition from Centre for Research Anna University Chennai.Under R&D many students doing their project in our department itself.

VISION

To develop value based professionals with a strong foundation in Electronics and Communication Engineering and innovative technical skills with eminent leadership qualities and ethical conduct.

MISSION

MD1: To establish a conducive and inspiring learning environment towards value based education.

MD2: To educate the students with the state of art technologies to meet the growing challenges of the industry and to guide them towards research in varied fields of Electronics and Communication Engineering.

MD3: To provide a quality system for wholesome learning to achieve progress and prosperity in life along with moral values.

OBJECTIVE

The purpose of the Conference is to review the state-of-the-art of R&D of biotechnology for the health sector and to analyse problems with possible solutions.

THEME OF CONFERENCE

Technology has helped in saving many innocent lives. Human medicine and health sciences have improved. Doctors and medical students have embarked on medical technological tools to carry out extensive research on human health problems and challenges. This extensive research has resulted into the development of new drugs, and treatments which have helped in curing most challenging human diseases and this has helped in saving so many lives and it has also prolonged the human lifespan.

CALL FOR PAPERS

Papers are invited on topics related, but not limited to the following areas.

- Healthcare devices
- Improvement of medical treatment
- Biomedical engineering

- Technology Advancement in Medicine and Health care
- Bio-Instrumentation Medical devices
- Nanocomposite Contact Lenses
- Research issues on Tropical Medicine
- Infectious Diseases
- Genetics and Multi System Diseases

ELIGIBILITY

Faculties from Engineering colleges, Research Scholars, Industrial Persons and UG & PG students are eligible for the Seminar.

ACCOMMODATION

Accommodation and boarding if required will be provided in the college premises on chargeable basis.

REGISTRATION

All participants have to pay Rs.200.00 as registration fee by Demand Draft in favour of '**The Principal, Hindusthan Institute of Technology**', Payable at **Coimbatore**.

SCHEDULED DATE

Last date for paper submission	:	19.07.2019
Intimation of Selection by email	:	26.07.2019
Confirmation by Participants	:	29.07.2019
